Summary

Hello, my name is Sama Patnaik. I'm a first year at the University of British Columbia, Vancouver, pursuing a Bachelor's degree in Science.

--Highlights--

Personal projects:

- Created a personal blog using WordPress
- Took AS level Information Technology which taught me how to use HTML and CSS, know some JavaScript
- Built small static websites for this course using HTML and CSS

Leadership:

- Was the Head of Student Council in high school, responsible for communicating with other members of the Student Council, and representing the student body in school events.
- Successfully advocated for the introduction entirely student-led clubs, influencing the senior leadership team to implement a diverse range of clubs for the entire student body.
- Organized and managed clubs and afterschool activities for students in grades 6-12, fostering engagement and providing enriching experiences.
- Implemented a collaborative timetable system on Excel, efficiently assigning Student Council members to lead individual clubs during designated timeslots.
- Assumed responsibility for welcoming new students and parents into the school post-COVID, creating a warm and inclusive environment for a smooth transition.

Education

The University of British Columbia

Bachelor's degree, Computer Science

Sep 2022 - May 2026

GEMS Education

High School Diploma, -

Sep 2020 - 2022

In school, I've been involved in the student council; from being the class representative to a head girl, accumulating experience when it comes to representing our school in events, participating in voluntary work and being a voice for the student body. Through this role, I have demonstrated good communication and leadership skills which will be helpful when working with a group of like-minded people.
